Dear Parent/ Guardian

Re: Local Safeguarding Incident

We have been made aware of an incident that occurred locally on Wednesday (19th April).

Shortly after 10:00am, a student walking through the cut-through from St.Crispins to Berrywood Road was approached by an unknown male.

The male has been described to us being bald, in his early 50s, wearing dark blue jeans, a blue jacket and black shoes.

Police were notified of this incident.

We emphasise that if any student ever feels that they are at risk of harm when in a public place, at any time, they should contact the police straight away on 999.

We would also encourage our students to report any such incidences and/or concerns with us at The Duston School, or to any adult that they trust.

Yours faithfully,

Mr L Martin
