Dear Parents and Carers,

Re: Disneyland Paris trip 5th – 8th July 2017

The Geography Department is pleased to offer a residential trip for 3 nights and 4 days to Disneyland Paris for our Geography students. This is a fantastic opportunity for students to understand and appreciate the concepts of tourism, industrial location, globalisation and cultural diversity within geography.

This residential field trip will take place from Wednesday 5th July 2017 to Saturday 8th July 2017. Travel to and from Paris will be via coach and ferry, departing and returning times to be confirmed in a parental meeting nearer the departure date.

This opportunity is being offered to 45 students from years 7, 8 and 9 (as they will be in July 2017), and we anticipate a high demand for these places. A voluntary contribution* of £299 per student is required for this trip to run. Please be aware that the trip may have to be cancelled should these contributions not be forthcoming. If this visit becomes oversubscribed a reserve list will be set up, we ask that you please email trips@thedustonschool.org to be added onto the reserve list and you will be contacted if a place becomes available.

The cost includes:

- 2 day entry to Disneyland Paris (2 day/ 2 park entry)
- Entrance to Montparnasse viewing tower, Paris
- Guided river cruise, Seine Paris
- 3 nights' accommodation on a full board basis at a Disney hotel
- Executive coach travel to and from all activities
- Return Ferry
- Travel insurance

A deposit of **£100** will be required to secure your son/daughter's place on the trip; this will be due by the **10th November 2016**. All payments should be made via Parentpay. If you need a reminder of your login information please contact finance@thedustonschool.org in good time.

Payments can be made from 7.00pm on Thursday 3rd November 2016.

Please note all payments are non-refundable, should you decide to cancel your placement. Further to this you will be liable for the full cost of the trip; unless a replacement, willing to cover all costs can be found within a suitable period of time.
